# Free Recycling Bins for Manitoba Legions

Recycle Everywhere strives to educate Manitobans on beverage container recycling, and ensure that it is convenient to recycle empty beverage containers no matter where citizens live, work or play. This includes Canada's first province-wide away from home beverage container recycling program. We have partnered with businesses, institutions, municipalities, communities, parks, festivals and events throughout Manitoba and provided them with the best Recycle Everywhere bin for their space free of charge.

We would like to extend this reach by offering all **Legions in Manitoba** beverage container recycling bins free of charge. Recycle Everywhere would like to give your Legion the opportunity to increase recycling recovery rates and show club members and visitors alike that you are giving them the option to recycle their empty beverage containers whether they are at home, work or play.

Key highlights of the program include:

- Easy implementation with Recycle Everywhere providing your location with recycling bins at no charge along with posters to promote the program.
- A variety of indoor and outdoor Recycle Everywhere bin models that can match existing garbage bins.
- Consultation services to implement the program successfully.

Your location simply services the recycling bins and arranges for collection which can most often be done by your existing waste service provider. Together with our partners, we are reducing greenhouse gas emissions, enabling new products to be made and reducing litter in streets and other public spaces.

To view and order your free Recycle Everywhere bins simply visit [www.RecycleEverywhere.ca](http://www.RecycleEverywhere.ca). If you have immediate questions or would like to request a site visit to evaluate your location please contact Melissa Dorota at 204.942.2284 x3 or [mdorota@cbcra-acrcb.org](mailto:mdorota@cbcra-acrcb.org).

We look forward to working with you!

Sincerely,

Senior Outreach Coordinator  
CBCRA/Recycle Everywhere
