

LEADERSHIP AND DEVELOPMENT BRANCH AND COMMAND RESOURCES

Instead of rewriting the Manual of Information and repeating a process that Dominion Command already does; and since the Edmonton Convention, publications are no longer printed by Dominion Command, it is easier to provide a link to the Dominion Website, where all the publications are electronic and updated by Dominion Command on a regular basis. The Electronic Membership Program will be updated in the fall of 2018.

To access the dominion website the following link will take you to the login: <https://portal.legion.ca/login> If you are not currently registered then you will have to open an account. The easiest way is to use your membership number and then set your own password. Once this is completed you can enter the information for your login and you will be taken directly into the Dominion website with all the different publication. Here you will be able to manage your membership, renew online or access Branch and Command resources to support Branch Operations.

If you have questions or need assistance with the Member Services Website, please contact Member Services at 855-330-3344 or Membership@Legion.ca.

If you are unable to access this information on a computer, please contact the Leadership and Development Chair through Provincial Command and relay what information you require and this information will then be printed and mailed to your branch.

**Robert Penner
Vice President, Leadership and Development Chair**
